

THE ARTS SOCIETY BLACKMORE VALE

Autumn Newsletter 2022

The leaves are falling and it's getting colder....it must be time for our 2022-23 season to begin. Welcome back, everyone, and the warmest of welcomes to new members. I trust you have all had a brilliant summer, that not all your veg and flowers died in the heat and that you are ready for some stimulating lectures. We have aimed, as ever, to create a varied and eclectic programme, covering a wide range of the arts. Last year's members were sent details of the Programme in June – though, it's also on our website: www.theartsocietyblackmorevale.org.uk

Dates for your diary:

In addition to the lectures (first Thursday in the month, October to July,)

New Members' lunch: Thursday 3 November (sandwiches and a glass of wine) immediately after the lecture

Christmas Drinks: Thursday 1 December, following the lecture

DOSI: April or May (date and subject TBC)

Summer Evening Celebration: June or July

One piece of bad news – Alix Brooke has stood down after many years on the Committee, most recently providing coffee. She has written to all members asking for volunteers to form a rota to enable us to continue to provide refreshments. If you are interested, please get in touch.

All the Committee join me in looking forward to seeing you all on monthly Thursdays throughout the season. And don't forget – you are most welcome to bring a guest. If you do, we appreciate a donation of £10 towards our meeting costs

Best wishes,

Ann Tasker
Chair
The Arts Society Blackmore Vale
